Aspects of Love

Autumn Music Series

Beloved, since God loved us so much, we also ought to love one another. No one has ever seen God; if we love one another, God lives in us, and his love is perfected in us.

1 John 4.11-12

God is Love, but there are many types of love. This Autumn our music series (1st Sep - 27th Oct) explores how we experience and share the various aspects of love as defined by Platonic and Aristotelian thought:

08/09	Philia	Friendship, dependability and trust.
15/09	Storge	Familial love, between parent and child.
22/09	Pragma	Practical love founded on reason or duty.
29/09	Eros	Sexual or passionate love.
06/10	Agape	Sacrificial, unselfish concern for others.
13/10	Philautia	Self-love, whether healthy or unhealthy.
20/10	Ludus	Playful or undemanding love.
27/10	Mania	An obsessive or possessive love.
